

Confirmation

Chapter 8

The Book of Proverbs, found in the Old Testament, is filled with short, concise sayings that guide us in living our faith. Use your Bible to read some of the sayings found in the Book of Proverbs. On the placards below write two original proverbs that tell how confirmed Catholics can joyfully share their faith with others.

Two identical blank placards are arranged side-by-side. Each placard has a decorative border with rounded corners and inward-curving sides, resembling a stylized square or a small window frame.
