

Researching Saints and Heroes/Heroines of the Church

1. Gather any books in your parish and invite the children to bring in any books from home that would offer information about these people.
2. Provide time for the children to find out more about a specific saint or hero/heroine.
3. Explain to the children that they are to present this person to the rest of the class.
Encourage them to write an essay, poem, song, or one-act play.
4. When everyone is ready, invite the children to share their work with the rest of the group.

You might like to invite parents or other family members to hear and see the children's work.
