

Making a Holy Land Map

1. Look in your Bible to see if you can find a map of the Holy Land.
2. Draw or trace a similar map onto a piece of paper.
3. Be sure to include the cities and other details on your map.
4. Mark the following cities on your map as locations where Jesus appeared to his followers after he had been raised from the dead:
 - Galilee
 - Jerusalem
 - Emmaus
 - the Sea of Tiberias (Sea of Galilee)
5. Put this map in a special place and add to it throughout the year.
