

Role-Playing the Sacraments

1. Divide the children into groups of about five.
2. Explain that each group is going to prepare and present a role-play or skit of either Baptism or Confirmation.
3. Have the children choose roles in their groups, such as candidate, parent, sponsor, or priest/deacon/bishop. *Give the children time to prepare their skits.*
4. When everyone is ready, invite each group to present their skit to the rest of the group.
