

# Acting Out the Story

1. Bring the children to an open space area. Ask them to spread out around the room.
2. Explain that you will read the story aloud. As you read, they will pretend they are following Moses.
3. Tell them that they will silently act out the story as they hear you read.
4. Slowly read the story in the Catechist Guide. As you read, allow the children enough time to act out what they hear.
