Grade 1, Chapter 3

In this chapter, the children learned about the Holy Family. Help the children understand that their own families are like the Holy Family. Use the following activity to help the children recognize that all families are holy.

All Families Are Holy

1. Recall with the children that the Holy Family is Jesus, Mary, and Joseph.
2. Write on a piece of posterboard, "All Families Are Holy."
3. Ask the children to share how their own families are like the Holy Family. Record their responses on the posterboard.
4. Afterward, hang the poster in a place where people can be reminded that all families are holy.
