

Inviting a Guest

1. Talk to your pastor or other parish staff member to find out the name of a person who spends time praying for the parish and people in the parish. Your parish may have a prayer line or prayer network.
2. Ask the guest to share 1) why this prayer ministry is so important, 2) why they like praying for people and their needs, 3) how the prayer network works in the parish.
3. Be sure to allow the children an opportunity to ask questions.
