

Looking in the Parish Bulletin

1. Talk to the parish secretary to borrow multiple copies of past issues of the parish bulletin.
2. Distribute the bulletins to the children.
3. Ask them to look for activities and groups of people that follow Jesus' teaching.
4. As the students name the activities or groups, list them on the chalkboard.
5. Identify which of Jesus' teachings each group carries out.
6. When the students have finished, ask them to choose which activities they might be interested in supporting and why.
