

Researching a Martyr

1. Have the children choose a martyr who could serve as a role model for them. If necessary, have the children look on page 119 of their textbooks for ideas.
2. Direct the children to look on the Internet or at the library for information about their martyr.
3. Have the children find out when this martyr lived and why this martyr is remembered.
5. Be sure to have the children write down some of the details they find out about this martyr on a note card.
6. Encourage the children to put the note card in a place where it can serve as a reminder to them about their commitment to their faith.
