

Praying the Our Father with Art

1. Divide the children into six groups.
2. Assign each group a line of the Our Father. (See page 131 of the children's textbooks.)
3. Provide posterboard and other art supplies for each group.
4. Direct the children to make an artistic representation of their assigned line of the prayer. Encourage the children to be creative. They could draw a picture or use symbols.
5. When everyone is finished, pray the Our Father together. As you pray, have each group hold up their work.
6. If possible, hang the artwork in a place where it can inspire others.
