

Making Christian Symbols

1. Explain to the children that they are going to make Christian symbols. They can make a symbol they saw in their books, another Christian symbol they know, or design their own symbol.
2. Distribute colored construction paper, scissors, glue, and markers, crayons or colored pencils.
3. When everyone has completed their symbol, invite the children to share their work with the rest of the group. *Encourage the children to bring their symbols home as a reminder to live as Christians.*
